Technical Data Sheet

Product series	VHTC1-LINED
Product description	High temp crepe tape w/ liner

General Description and Typical Applications

Viadon's VHTC1 Series tape is the industry-standard wet-spray painting mask. Conforms well to irregular and curved surfaces. With medium tack and good line definition, our VHTC1 Series tape is designed with a pressure sensitive adhesive. Apply to fully clean parts, then push down with moderate pressure to achieve best paint lines.

Product Construction

Color(s)	Beige
Total thickness	7.3 mils
Adhesive type	Rubber

Product Physical Characteristics

Maximum temperature	325°F
Adhesion to steel	28 oz./in. width
Tensile strength	26 lbs./in. width
Elongation (% at break)	10

Storage, Shelf Life and additional information

Store under normal conditions of 70°F and 50% relative humidity out of direct sunlight. For best performance, use this product within 12 months from date of manufacture.

Recommended for hot to warm removal, but can be removed cold.
